SEASON 1923 - 1924

THE "HIT" OF THE CHICAGO MARKET NEW CARNATION PINK MATCHLESS (WEBER)

WEBER'S PINK MATCHLESS is a true sport from WHITE MATCHLESS, and is a stronger grower than its parent. It has heavier foliage, stronger stems and consequently is even more productive. Color - beautiful shade of "ward pink." It's color intensifies under artificial light, which is another strong point in its favor. Flowers are deeply fringed and very fragrant. WEBER'S PINK MATCHLESS is a good shipper and growers acquainted with the value of the "MATCHLESS FAMILY" will fully appreciate this new shade. Prominent Chicago retailers daily search this new variety out in the market and the supply of cut flowers now coming in is quickly disposed of to critical buyers. We believe that WEBER'S PINK MATCHLESS is a variety you will need in your business. Orders now booked to be filled in rotation for delivery January 1924. Price \$12.00 per 100, \$100 per 1000. Order now and get in on the ground floor.

We mention below various other valuable varieties of Carnations which we can supply to advantage, viz:-
